

Andrew Russo

MENTOR SINCE 2001

Aru93401@bigpond.net.au

PROFILE

Although Andrew's background is in accounting and taxation services, since 1989 he was involved in providing Strategic and Business Planning Services and Franchise Consulting. Andrew was a Fellow of the Institute of Chartered Accountants for 40 years and was a consultant to PKF Adelaide for 12 years (2010 – 2022).

Andrew specialised in the development and implementation of strategy to enable organisations and individuals to achieve their corporate and personal vision. Andrew coached & mentored business owners and managers using problem solving tools to facilitate personal and business improvement.

Andrew's client base consisted of medium to large businesses, in the manufacturing, service, retail and primary industries providing development, management, accounting and taxation advice.

He had 33 years' experience providing management services to his clients including the development of systems and procedures, key indicators, benchmarking and development of profit improvement plans.

Andrew was an accredited Mindshop Facilitator in South Australia for 25 years, authorised to run Mindshop Business Improvement Workshops.

He has also been a mentor and workshop facilitator with SA Business Chambers programs since 2001.
